<b>**NOTE: Rings will alternate running. Only ONE RING WILL RUN AT A TIME.</b>					
<b>Judging begins at 8:00am all three days</b>					
<b>---- Running order will be: Friday and Sunday High to Low / Saturday Low to High</b>					

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

### HEIGHT DIVISIONS

	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. <b>Regular Dogs may not be entered in this height if they are 22 inches and under.</b>
24C"	n/a	<b>Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers.</b>  Dogs who measure into the 24" regular jump height division may not enter 24-choice.

### MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

#### DOG ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), **an AKC Canine Partners listing number**, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four (4) months of age are strictly prohibited from the trial grounds.

#### OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on dirt surface. Ring size will be STD ring size 100' x 100', JWW ring size 90' x 100'.

#### ENTRY FEES PER DAY

Second entry of same dog each day(includes a \$3.00 AKC recording fee)..... **\$12.00**

No entry shall be made and no entry shall be accepted which specifies any conditions as to its acceptance.

**Illegible entries** will not be processed and will be returned to the exhibitor. Returned checks do not constitute a valid entry and the Trial Secretary will add a **25.00** collection fee (optional) to the amount of each returned check.

#### COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

## RIBBONS, AWARDS, AND PRIZES

**The safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

**It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The MADOC and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. MADOC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the MADOC or any official thereof.

**All dogs must be on leash** at all times when on trial grounds except when in the designated warm-up area or competing on the course.

**No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee, or if the trial cannot be opened or completed by reason of riots, civil disturbances, extreme and/or dangerous weather conditions, or any emergency or other cause beyond the control of the Club.

**Bitches in season** are not permitted to compete in Agility Trials. As such, entry fees per day per trial less \$7 will be refunded for bitches that come in season after the closing date. A written request from the owner accompanied by verification from a veterinarian, must be received by the Trial Secretary at least 30 minutes prior to the start of the first day of the trial. Bitches in season may not be at the show site at any time.

**Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. ## COVID INFORMATION

### COVID Guidelines for MADOC Agility Trials

Everyone's safety is our primary concern, especially during the current pandemic. We will comply with Alabama state and exhibition facility guidelines for reopening state and group events. Please keep in mind this is a very fluid situation, and state and local guidelines are subject to change with little notice. We reserve the right to adjust these guidelines as needed. We will try to keep everyone updated of any changes through emails from the trial secretary. We will be implementing the following guidelines:

1. Crating will be set up so that social distancing can be maintained between handlers at a minimum of 6 feet. You may choose to crate from your vehicle, also maintaining 6 feet distance.
2. Walk through groups will be split to facilitate better social distancing. Groups will be determined by the judge and trial chair based on entry numbers in each class.
3. Anyone entering the building will wear a mask, which will include all workers and ring crew. Exhibitors are responsible for providing their own mask. The mask should be solid with no vent and worn covering the nose and mouth. Exhibitors may remove their mask when entering the ring for their run and place it in their pocket, but you must put the mask on prior to exiting the ring.
4. Exhibitors will maintain six-foot social distancing inside and outside the building. Please be respectful of your fellow exhibitors.
5. There will be no seating/viewing near the ring or at the rail. Seating will be in your crating area, maintaining 6 feet apart. There will be a designated area marked for videoing runs.
6. Tape/signs/fencing will be placed for the team waiting to go in the ring as well as the next competitor. These areas will be 6 feet apart. There will be no more than 3 dogs in queue at any time.
7. Handlers may place their leash in their pocket or wear them while running the course. If your dog grabs the leash while on your person, the judge will rule this an "E." If handlers elect to drop their leash at the start, a leash runner will be provided to pick up and transport the leash.
8. Results will be posted on the wall of the facility. Tape will mark the area so that if you wish to view results, you can maintain social distance. Results will be emailed after the trial as well.
9. Course maps will be posted on the wall. There will not be any paper course maps. Plan to take a picture of the maps. Trial course maps will be emailed to exhibitors the morning of or the day prior to the trial.
10. There will be no open/buffet style hospitality. Competitors will need to bring their own food and drinks (non-alcoholic). Stay alert to updates on concessions available at this trial.
11. Please do not bring MACH cakes, desserts, or other treats to share with exhibitors.
12. Ribbons will be self-serve while maintaining a safe 6 feet distance. Use hand sanitizer before and after getting your ribbons.
13. There will be plenty of soap, paper towels and hand sanitizer. Please wash your hands frequently. We will have hand sanitizer and disinfecting supplies. We appreciate competitors bringing their own for personal use, also.
14. If you are ill, **DO NOT COME!** If you have been exposed to someone who has tested positive for COVID-19 in the last 14 days, do not come! Covid-19 continues to change our daily lives. If you are entering this trial, be sure you are comfortable with the above guidelines and are willing to comply with social distancing and wearing a mask (these are non-negotiable). Exhibitors not complying with these guidelines will be excused from the trial without a refund.
15. Check your final confirmation for updates or changes to these guidelines.

## COVID-19 Liability Waiver

### Must be Signed and Included with Entries

The novel coronavirus, which causes COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal, state and local health agencies recommend social distancing and limiting the number of persons allowed to gather. The Montgomery Alabama Dog Obedience Club has put preventative measures in place to reduce the spread of COVID-19; however Montgomery Alabama Dog Obedience Club cannot guarantee that you will not contract COVID-19. By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected with COVID-19 by attending this event and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected with COVID-19 at the Montgomery Alabama Dog Obedience Club's Agility trial may result from my own actions, omissions, or negligence or those of others, including, but not limited to, Montgomery Alabama Dog Obedience Club's members, volunteers, contract workers, and program participants and their families. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense of any kind that I may experience or incur in connection with my attendance or participation in this event. On my behalf, I hereby release, covenant not to sue, discharge, and hold harmless the Montgomery Alabama Dog Obedience Club, its members, agents, and representatives, of and from claims, including all liabilities, claims, actions, damages, costs, or expenses of any kind arising out of or relating thereto. ### **Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

### **Entering For Exhibition Only (FEO)**

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

### **Fix and Go On (FNG)**

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

## INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners<sup>SM</sup>** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

**Junior Handlers** should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

USE THIS FORM TO MOVE UP TO A HIGHER AGILITY CLASS ONLY

It is the option of the club to allow day-to-day move-ups. Exhibitors should refer to a club's premium list to verify the club's policy for moving a dog up. If offered, dogs shall be moved up to a higher class at the request of the owner, as a result of the dog qualifying for an agility title.

The request for moving up must be made to the Trial Secretary according to the club's published policy. All move-up entries are subject to availability of the class and payment of any difference in entry fee. Dogs so moved-up will be entered at the end of the running order. Refer to Chapter 1, Section 20 of the Regulations for Agility Trials for additional move-up requirements.
